CINCINNATI, O., June 20.—It was a joyous home-coming for Secretary Taft. Arriving in his native city at \$115 o'clock this morning he was greeted at the Central Italiway Station by thousands of his long-time friends and neighbor. The station was thronged with admirers of the Republican standard-bearer, who gave him an enthusiastic reception.

"I never felt better," responded Mr. Sherman. "We had a great convention and I take this opportunity to say to you that the result so far as you are concerned was equally great. I want personally to join with the country in Fenewing my congratulations."

Together behind a throng of citizens, members of the Blaine and other Republican clubs, each carrying a blue pennant bearing a handsome likeness of the war secretary, the two candidates, arminarm, walked to the entrance of the station where they were received by a committee of the chamber. J. G. Schmidlapp, a member of the committee, had joined the secretary on the train about ten minutes from the city. The general committee of welcome on behalf of the citizens of Cincinnati was headed by Colonel Leopold Markbreit, mayor of the city. An informal parade was formed on Central avenue and, led by a band, proceeded up the avenue to Fourth street and thence directly to the residence of Charles P. Taft, on Pike street.

A pretty incident occured at Piedmont, W. Va., last night just before the secretary retired. W. E. Bowen boarded the train while it stood a few minutes at the station. He was accompanied by his little son, a beautiful child of four years. "You are a fine little man," declared Mr. Taft, patting the youngster on the head. He picked up the little lad in his big arms and tossing him into the air affectionately inquired "won't you give me a kiss?"
